- (xlii) “Water and Sanitation Wing of Municipal Corporation” means the Section, Wing, Directorate and / or department dealing with the matters of water supply and sanitation within the jurisdiction of HMC.

CHAPTER II ESTABLISHMENT OF CORPORATION

3. (1) Government shall, by notification in the official Gazette, establish a Corporation to be known as the Hyderabad Water and Sewerage Corporation, for carrying out the purposes of this Act. **Incorporation.**

(2) The Corporation shall be a body corporate, having perpetual succession and a common seal, with power, subject to the provisions of this Act, rules and regulations, to acquire and hold property, both movable and immovable and shall by its name sue and be sued.

(3) The territorial jurisdiction of the Corporation shall extend to the revenue limits within the jurisdiction of HMC and to such areas outside its limits as may be notified by Government.

4. (1) The Corporation shall perform such functions and exercise such powers as may be necessary for carrying out the purposes of this Act. **Powers and Functions of the Corporation.**

(2) Without prejudice to the generality of the powers and powers mentioned in sub-section (1), the Corporation shall have the following powers and functions:-

- (i) to operate on sound commercial practice and aim to ensure that its revenues are sufficient to provide for all operations and maintenance costs including a reasonable return on investment;
- (ii) develop plans, including strategic plans for effective and sustainable delivery of potable water and sewage disposal services in a manner and on payment of fees as may be prescribed, and to grant consent for –
 - (a) water connections to consumers;
 - (b) sewerage connections to trunk sewers;
 - (c) sewerage services by suction and jetting trucks;
 - (d) tanker services receiving water from hydrants;
 - (e) water recycling or reuse policy; and
 - (f) climate change resilience, flood control and water conservations strategy;
- (iii) to propose surface water, ground water and sewerage tariffs, rates, charges and fees by way of consumption and discharge, which, at a maximum, are adjusted annually as per CPI to the Board for its approval;
- (iv) to recommend to Government for its approval such water and sewerage tariffs to be charged by the Corporation greater than those approved pursuant to clause (iii) based on a professional and independent tariff study carried out for the Corporation which involves public consultations and considers affordability for low-income consumers;
- (v) to collect and/or recover tariffs rates, charges and fees, indulging betterment fees for water supply, ground water extraction and sewage services including arrears thereof and otherwise ensure its financial sustainability;
- (vi) to incur expenditure and recover infrastructure development charges from the bulk water customers, including consumer;
- (vii) to develop and ensure implementation of strategies for reduction of non-revenue water by the management;
- (viii) to outsource supply of water and maintenance of sewerage or any ancillary service including communications, complaint management and the recovery of water user fees and charges including arrears from all consumers and from the consumers in rural or katchi abadis/ village areas of such additional areas as may be notified by Government;
- (ix) to consider, review and recommend Public-Private

Partnership proposals conceived or presented by the PPP Node or PPP unit to the PPP Policy Board;

- (x) to seek grants and loan guarantees for the Corporation from the Government;
- (xi) to borrow as may be required for the purpose of meeting any capital expenditure and discharging its functions under this Act, from sources within or outside of Pakistan subject to law, rules or regulations;
- (xii) to establish its own procedures;
- (xiii) to review, amend and revise the Corporation's schedule of establishment;
- (xiv) to grant licences, including licences related to land along with right of way, and permits for specified period to bulk water customers, public-private partnership concessioners, and to persons or any other service provider acting on behalf of the Corporation and to check the water quality of the licensee and issue certificates thereof, in a manner prescribed;
- (xv) to enter into agreements for providing water and sewerage services to bulk water customers, industrial areas, commercial zones, and with public-private partnership concessioners, and to any person or any other service provider acting on behalf of the Corporation;
- (xvi) to take measures for appropriate water supply and sewerage services to bulk water customers based on the principle of payment for consumption;
- (xvii) to provide strategic guidance to its management and monitor management's performance;
- (xviii) to oversee and carry out annual self-evaluation to appraise its own performance and efficiency;
- (xix) to incentivize the recovery of payables from the bulk water customers and from its customers receiving water supply and sewerage services;
- (xx) to institute water loss reduction programme;
- (xxi) to set and monitor the implementation of broad mandates and objectives for the Corporation, including its financial targets, capital structure objectives and risk tolerance levels;
- (xxii) to levy water supply and sewerage charges on the bulk customers based on their types of usage (residential, industrial, commercial, tanker) and downstream distribution systems, where the responsibility of distribution rest with the bulk water consumers;
- (xxiii) to disconnect or restrict water supply to any consumer in the event of non-payment of tariffs after due process as may be prescribed;

- (xxiv) to delegate powers and functions to the Chief Executive Officer of the Corporation, subject to the limitations prescribed under one or more Rules;

PART-III CONSTITUTION OF THE BOARD

5. (1) The general directions and administration of the Corporation and its affairs shall vest in a Board, which may exercise all powers, perform all functions and do all acts and things which may be exercised, performed or done by the Corporation.

**Management and
administration of the
Corporation by the
Board.**

(2) The Board shall consist of a Chairperson and such number of Ex-officio members as well as non-official members, as follows:-

A- Chairperson

The elected Mayor of HMC shall be the Chairperson of the Board and in his absence, the Administrator of the HMC shall be the Chairperson.

20. (1) The Chief Executive Officer shall, before the commencement of each financial year, prepare a statement of the estimated receipts and expenditure for the next financial year and submit it to the Board for approval. **Budget and accounts.**

(2) The Corporation shall maintain proper accounts and other records relating to its financial affairs including its income and expenditure and its assets and liabilities in such form and manner as may be prescribed.

(3) As soon as may be, after the end of each financial year, the Corporation shall, for that financial year, prepare and approve in the manner prescribed, statements of account of the Corporation which shall include a balance-sheet and an account of income and expenditure.

21. (1) The pre-audit of income and expenditure of the Corporation shall be done by the Auditors of Local Fund Audit Department under Municipal Fund (Audit Rules), 1964. **Audit.**

(2) The Auditor General of Pakistan or any officer of the Accountant General of Sindh shall conduct annual audit of the accounts of the Corporation.

(3) The Corporation may, in addition to the audit under sub-section (1), cause the annual accounts of the Corporation be audited, in the prescribed manner by a Chartered Accountant or a firm of Chartered Accountants with A Rating as maintained by the State Bank of Pakistan.

22. (1) The Chief Executive Officer shall, by 30th September each year, submit annual performance report to the Board enumerating all the activities, developmental initiatives undertaken and targets achieved during the previous financial year for the betterment of the water and sewerage services. **Annual report.**

(2) The Corporation shall submit the report under sub-section (1) to Government which shall lay the same in Provincial Assembly of Sindh within ninety days of its receipt.

CHAPTER-VII WATER AND SEWERAGE SERVICES, PUBLIC PRIVATE PARTNERSHIP NODE AND LICENSES

23. (1) The Corporation shall be responsible for planning and execution of bulk production, supply and distribution of potable water schemes in accordance with the provisions of this Act and shall ensure that the water supplied is duly filtered, treated, tested and is fit for human consumption. **Supply of water.**

(2) The Corporation shall provide retail distribution of water within the service delivery area, excluding the areas receiving water supply through a Public-Private Partnership, a CBO, NGO or an autonomous or constituent body.

(3) The Corporation shall supply bulk water to each autonomous or constituent body at such rates and subject to such terms and conditions as contained in the relevant memorandum of understanding or water supply agreement.

(4) The Corporation, with the approval of the Board, shall allocate the quantity of water which it determines to be supplied to each autonomous or constituent body; provided that until the quantity of water is so determined by the Corporation, the Corporation shall continue bulk water supply to an autonomous or constituent body or person(s) in accordance with the relevant Memorandum of Understanding or water supply agreement.

(5) The Corporation shall have the right to place and maintain aqueducts, conduits, and lines of mains, over, under, along or across any immovable property without being required to acquire any such property whether owned by Government or any person.

24. (1) Except as expressly otherwise provided under this Act, the Corporation shall – **Sewerage services.**

- (a) provide, improve, rehabilitate, extend, clean and maintain sewerage within the service delivery area and ensure that the service delivery area is effectively drained;
- (b) make provision for the effective emptying of sewerage within the service delivery area by means of appropriate sewage disposal works; and
- (c) increasingly divert existing sewage being discharged into storm water drains towards trunk sewers.

(2) In performing the responsibilities under sub-section (1), the Corporation shall ensure that -

- (a) no untreated trade waste shall be discharged into its sewers in the service delivery area unless it meets National Environmental Quality Standards for pre-treatment;
- (b) the treated trade waste so discharged shall be disposed of in accordance with National Environmental Quality Standards;
- (c) provision is made for tertiary treatment or reuse, recycle of sewage, if required, for agricultural and industrial use in a manner prescribed; and
- (d) all person(s), including the persons under Public-Private Partnerships shall apply to the Corporation for connection to a public sewer within the service delivery area.

25. (1) Subject to availability of water, the Corporation shall develop schemes in relation to water and sewerage services for low-income areas, and informal settlements, including rural area and katchi abadis within the jurisdiction of HMC and such additional areas as may be notified by Government, within the service delivery area that are feasible in terms of revenue generation and recovery, and which permit connection to the water supply and sewerage networks of the Corporation as may be determined by the Board. **Water services in low-income areas.**

(2) The Corporation shall cause management to maintain a Katchi Abadi Cell within the Corporation with such composition and hierarchy as determined by the Board.

(3) The Katchi Abadi Cell, through the Chief Executive Officer shall advise the Board on the feasibility and revenue model of any proposed scheme under sub-section (1).

(4) The execution of any scheme referred to in sub-section (1) shall be made by the Katchi Abadi Cell through an agreement approved by the Board with one or more NGOs and/or CBOs.

(5) No NGO or CBO shall be engaged in a Public-Private Partnership with the Corporation unless such NGO or CBO obtains license in a prescribed manner.

(6) The Corporation shall keep control of all such schemes and issue such directions and recommendations to any relevant NGO or CBO as it deems fit.

26. (1) The Corporation shall, with the approval of the Board, establish a PPP-Node in accordance with the Sindh Public-Private Partnership Act, 2010, to facilitate public-private partnership with any person or persons for any scheme to be brought to or developed by the Board to be executed or maintained by any such partnership.

**Public Private
Partnership Node.**

(2) The Public-Private Partnership Node shall -

- (a) identify suitable water supply and sewerage projects under the jurisdiction of the Corporation and within the service delivery area that are to be undertaken using the form of a public-private partnership;
- (b) supervise, prepare and/or employ such external advisers and/or other personnel required to undertake feasibility studies regarding every such project;
- (c) based on such studies, make recommendations to the Board whether to proceed with the procurement of any scheme based on its suitability, considering the future financial well-being of the Corporation;
- (d) together with the relevant Government counterparties and external advisers as may be required, conduct a competitive bidding process to procure the private sector entity in accordance with the Sindh Public-Private Partnership Act, 2010, and rules made thereunder; and
- (e) make recommendations to the Board whether to enter into a public-private partnership agreement consistent with the objective of ensuring the Corporation's medium and long-term standing.

(2) The Corporation may employ such officers to manage the PPP Node as determined by the Board.

27. (1) No person shall, including person under a public-private partnership agreement, engage or continue to be engaged in supplying potable water or

Licenses.

providing sewerage services in the service delivery area, except such person possesses valid licence issued by the Corporation under the prescribed conditions.

(2) The license issued under sub-section (1), shall be for the purposes of -

- (a) storing or supplying potable surface water and groundwater;
- (b) supplying potable water by means of a water tanker or other vehicle;
- (c) providing sewerage services; and/or
- (d) providing sewage suction and jetting services in the service delivery area or beyond as per prescribed procedure.

(3) The licensee shall -

- (a) ensure that the water supplied to its end consumers is safe for human consumption;
- (b) abide by all applicable national environmental and quality standards;
- (c) meet delivery and quality standards set by the Corporation; and
- (d) pay the Corporation the applicable tariff or fee as set out by the Corporation.

(4) The licence under sub-section (1) shall be subject to terms and conditions as may be prescribed and shall be valid for a specified period and be issued in a manner and on a fee as may be prescribed.

CHAPTER-VIII INFRASTRUCTURE SCHEMES AND THEIR MAINTENANCE

28. (1) The Corporation shall prepare and update a comprehensive Water and Sewerage Master Plan and execute such infrastructure schemes with specified time limits as emanate from the Master Plan.

**Water & Sewerage
Master Plan and
infrastructure
schemes.**

(2) The infrastructure schemes under sub-section (1) shall facilitate the schemes within the jurisdiction of Local Council and in the jurisdiction of any autonomous or constituent body and/or licensee under this Act.

(3) The Corporation shall charge for development of such infrastructure schemes apportions to the beneficiary person(s) to the extent and in the manner as may be determined by the Board.

(4) The Sindh Master Plan Authority and/or every autonomous and constituent body and any other person responsible or authorized for development control shall apply to the Corporation and obtain from it, a No Objection Certificate before approving the proposed layout plan of all schemes and deposit the requisite fee to the Corporation as prescribed by the Board.

(5) The Sindh Building Control Authority and/or any other body notified by the Government or any authorized person for the purpose of building control, shall not approve any building plan unless it obtains No Objection Certificate from the Corporation and has paid to the Corporation all fees, dues and contributions related to the pertinent infrastructure scheme as may be determined by the Board.

(6) The Corporation shall require any person to submit monthly reconciliation statements of the amounts received on account of development charges.

(7) The Offices of the Registrar and Sub-Registrars in the Hyderabad Division and adjoining notified areas established under the Registration Act, 1908, shall contribute to the Corporation 0.1% of the property valuation as fee received by them from the registration of sale deed, general or specific power of attorney defined under the Registration Act, 1908.

(8) A reconciliation statement of all fees collected under sub-section (7) shall be issued monthly by the Registrar to the Corporation.

(9) Any person who fails to comply with the provisions of sub-sections (4), (5), (6) and (7), the Administrative Department shall issue directions to such person or agency for transfer of amounts required to be paid to the Corporation, and in case of non-compliance of the directions, the amounts shall be recovered through arrears under the Sindh Land Revenue Act, 1967.

29. (1) The Corporation shall have power to supply bulk water to any person; provided that a written agreement containing the terms and conditions of the supply, storage and distribution of the water and the extent of the reimbursable cost of the infrastructure, if any, laid for the purpose may be made.

Bulk water agreements with the Corporation.

(2) If the Corporation and a person are unable to agree on the terms and conditions of bulk water supply, the matter shall be referred to the Board on the receipt of such written objections for the decision.

(3) The decision of the Board under sub-section (2) shall be appealed to in the Water and Sewerage Tribunal established under this Act.

30. (1) The Corporation shall be responsible for disposing of Trade Waste which may also be referred to as the Industrial Wastewater and may include -

Trade Waste Permits.

- (a) liquid or waterborne waste with or without particles that arises from the conduct of a trade, commercial enterprise or industry;
- (b) liquid or waterborne waste that arises from the conduct of any hospital, school or other institution, but does not include sewage; and
- (c) pre-treated industrial wastewater discharged in the sewerage system in accordance with National Environment Quality Standards.

(2) The Corporation shall ensure that no person shall dispose of trade waste directly or indirectly into a sewer without the permits issued by the Corporation and with proper pre-treatment as per the National

Environmental Quality Standards.

(3) If a disposal of trade waste contravenes the provisions of sub-section (2), the Corporation shall disconnect such disposal after taking reasonable measures in the prescribed manner.

(4) In case the default under sub-section (3) continues, such contravention shall be deemed to be an offence mentioned in Schedule-I or II or as may be determined by the Corporation.

31. Except as authorised by a permit issued by the Corporation, no person shall, directly or indirectly, discharge or cause or allow to discharge any of the following substances into the sewerage system and/or any associated treatment facility of the Corporation:

Prohibition on discharge of certain matters.

- (i) a hazardous substance which could cause an explosion or fire;
- (ii) discrete oil;
- (iii) an infectious substance (other than human waste) that has not been disinfected to a level and standard agreed by the Corporation and which is duly documented as such;
- (iv) a toxic substance;
- (v) trade waste which has a temperature greater than 38 degrees Celsius;
- (vi) any substance which could adversely affect the operation of a grease arrester or other device or equipment used for the treatment of waste;
- (vii) a substance which is carcinogenic or mutagenic and could adversely affect the environment;
- (viii) animal matter, wool, hair, fleshing, feathers, dust, ashes, soil, rubbish, grease, garbage, all or any part of a dead animal, vegetable or fruit parings, wood, rags, synthetic plastics and any solid matter; and
- (ix) any matter which, in the opinion of the Board -
 - (a) is injurious to, or liable to form compounds injurious to, any part of the sewerage service or treatment work of the Corporation or to employees of the Corporation engaged in the operation or maintenance of that service; or
 - (b) will impair or be liable to impair the operations or functions of the Corporation, and for which the Corporation has served notice requiring the person to refrain from discharging of any of the substance mentioned in this section.

CHAPTER-IX CUSTOMER SERVICES, ASSET MANAGEMENT, ENTRY ONTO LAND AND ACQUISITION OF LAND

32. (1) The Board shall establish and maintain a system, including technology-enabled platforms, to register consumers' complaints as well as mechanism to deal equitably and efficiently with consumer complaints and emergencies based on global best practices.

Consumer Customer Service.

(2) The Corporation shall establish Customer Services Centres in Hyderabad District at such designated places as notified by it to meet the ends referred to in sub-section (1).

33. (1) The Corporation shall develop and maintain an asset management information system and digital reporting, based on global best practices in water utilities, which shall include but not be limited to its entire land holdings, alongwith geographical coordinates, land use, pumping stations and installed machinery, filter plants and associated equipment, waste water treatment plants, conveyance systems, district meter areas, bulk and retail meters, customer service centres, administration and district offices along with machinery, equipment and furniture, suction and jetting trucks, generators and all of its service and staff vehicles. **Assets management.**

(2)The Corporation shall be responsible for safety and protection of the land which it owns within the service delivery area and shall take measures for the removal of any encroachments on such land, and to this end –

- (a) any allotment, lease, possession, or right granted immediately before the commencement of this Act to any person in respect of land owned by WASA, Water and Sanitation Wing of HMC and TMC, within the jurisdiction of HMC shall stand transferred to the such Corporation;
- (b) all immoveable property transferred from WASA, Water and Sanitation Wing of HMC and TMC, immediately before the commencement of this Act, shall stand transferred to such Corporation and such entries shall be made in the record of rights.

34. (1) The Corporation may enter and execute work on any land or building within the vicinity in and around any water and sewerage conveyance system relating to the Corporation within the relevant vicinity – **Entry onto land.**

- (a) to operate, repair, replace, maintain, remove, extend, expand, connect, disconnect, or improve any of its infrastructure, machinery and equipment, as well as any meter whether owned by the Corporation or a third party, or for any other purpose which the Corporation considers necessary;
- (b) to read a meter that measures water supplied by the Corporation or effluent discharged into a sewer of the Corporation;
- (c) to make a valuation assessment of water supply and sewerage services to any building or land;
- (d) to find the source of pollution of water supplied by the Corporation and, for this purpose, to excavate and remove material from the relevant land; and
- (e) to ascertain whether a contract, license or agreement for the provision of any services by the Corporation is being breached.

(2) The Corporation, if it has reasons to believe that an offence under this section has been committed and if the circumstances warrant, shall take cognizance in accordance with section 38.

35. The Corporation may acquire any land for the purposes of this Act either by agreement or in accordance with the Land Acquisition Act, 1894. **Acquisition of land.**

**CHAPTER-X
RESEARCH AND INNOVATION**

36. The Corporation shall, for the purpose of achieving the objectives of this Act, establish a Reform, Research and Innovation Centre which shall - **Reform, Research and Innovation Centre.**
- (a) conduct, organize, coordinate and promote research and training on all aspects of water resources, including drainage, reclamation, drinking water, Industrial Wastewater, and sewerage management;
 - (b) design, develop and evaluate water conservation technologies for horticulture, drinking and industrial wastewater;
 - (c) submit policy recommendations to the Board through Chief Executive Officer regarding water quality, development, management, conservation and the utilization of water resources;
 - (d) liaise with other water-related national and international research and development organizations, water and sewerage service utilities, universities and non-government organizations;
 - (e) provide consultancy services for a fee and collaborate with other organizations in the public and private sectors;
 - (f) provide financial and technical support to universities and research institutions for collaborative research, trainings, projects and fellowships;
 - (g) design and develop water-related technologies and in terms of utility for various users according to market demand and undertake design and development projects on contract; and
 - (h) commercialize its research and development results from the sale of products, patents and services, as well as its collaboration with other organizations.

**CHAPTER-XI
TRIBUNAL AND APPEALS**

37. (1) As soon as after the commencement of this Act, Government shall establish a Water and Sewerage Tribunal consisting of the following:- **Water and Sewerage Tribunal.**
- (i) A serving District & Session Judge to be appointed by Government from a panel of three Judges nominated by the High Court of Sindh. **Chairperson**
 - (ii) A Technical Member Water having expertise in water related matters/ issues to be appointed by Government. **Member**
 - (iii) A Technical Member Sewerage having expertise in sewerage related matters/issues to be appointed by Government. **Member**

(2) The Chairperson and Members appointed under sub-section (1) shall hold office for a period of three years and shall be eligible for reappointment for further one more term of three years only on the terms and conditions as may be determined by Government.

(3) The Tribunal shall decide the case within a period of thirty days following the termination of the hearing it affords the parties as prescribed.

(4) The Tribunal shall exercise the summoning powers of the party and the procedures adopted in its hearings shall be guided by the Code of Civil Procedure (CPC), 1908, and by the Code of Criminal Procedure (Cr.PC) 1898.

(5) Government shall make and approve the Schedule of expenditure and budget of the Tribunal.

(6) An appeal shall lie to -

- (a) the Board, from a decision of the Chief Executive Officer on any matter related to the recovery of dues or tariffs, or the granting of a license or permit, including respecting Trade Waste or action taken by the Corporation in its interest;
- (b) the Water and Sewerage Tribunal from a decision of the Board; and
- (c) the High Court from a decision of the Water and Sewerage Tribunal.

CHAPTER-XII OFFENCES AND SANCTIONS

38. No court other than the Tribunal established under this Act, shall take cognizance of the offences mentioned in Schedule-I & II, upon a written complaint made by an officer authorized by the Corporation. **Cognizance of offence.**

39. (1) The Corporation, Tribunal or Appellate Court may extend the sanctions in accordance with Schedule-I & II. **Sanctions.**

(2) The Board may alter, amend or modify the Schedules with the approval of Government as it may deem necessary for the purposes of this Act.

CHAPTER-XIII MISCELLANEOUS PROVISIONS

40. Any sum due to the Corporation from any person on account of any tariff, cess, fees, rates, rent or any other charges or receivables on any other account under this Act or rules or regulations may, without prejudice to any other mode of recovery, be recovered by the Corporation as an arrears of land revenue under the Sindh Land Revenue Act, 1967. **Recovery of sums due.**

41. Government may, by notification, designate one or more Police Stations for the assistance of the Corporation. **Police assistance.**

42. Government or Board may, by general or special order, delegate all or any of its powers, functions and duties, to the Chairperson, member or any officer of the Corporation. **Delegation of powers.**

43. Every employee of the Corporation including officers, advisors, consultants and every person acting or purporting to act under this Act, rules and regulations shall be deemed to be a public servant within the meaning of section 21 of the Pakistan Penal Code, 1860. **Public Servants.**
44. No suit, prosecution or any other legal proceedings shall lie against the Government, Corporation, the Chairperson, members, Chief Executive Officer and any employee of the Corporation, in respect of anything done or intended to be done in good faith under this Act. **Immunity.**
45. The provisions of this Act shall have overriding effect notwithstanding anything contrary contained in any other law for the time being in force. **Over-riding effect.**
46. (1) Government may make rules for carrying out the purposes of this Act. **Power to make rules.**
- (2) Without prejudice to the generality of the foregoing powers, such rules may provide for all or any of the following matters:-
- (a) the procedure(s) for applying for water and sewerage connections, including the payment of fees for making application in either or both respects;
 - (b) the regulation, control and inspection of private sewers, water connections, and service lines, including internal fittings;
 - (c) the procedure for levying and collecting tariffs, rates, fees, ownership of the meter or charges for water supply and sewerage service and imposing surcharges in case of any default made in payment thereof; and
 - (d) the grant of licences, permits and permissions under this Act.
47. Subject to this Act and the rules, the Corporation may frame regulations in respect of the matters not provided for in this Act or the rules. **Power to frame regulations.**
48. If any difficulty arises in implementation of the provision of this Act, Chief Minister may on the recommendation of the Board or otherwise, give appropriate direction to remove such difficulties. **Removal of difficulties.**
49. (1) Notwithstanding the provisions of any law, for the time being in force - **Transfer of properties, assets and employees and savings.**
- (a) all receivables of WASA, Water and Sanitation Wing of HMC and TMC, prior to the coming into force of this Act shall be paid to the respective Corporations and recoverable by the such concerned agency;
 - (b) all debts and liabilities incurred by WASA, Water and Sanitation Wing of HMC and TMC, prior to the coming into force of this Act shall be debts and liabilities of the Corporation;
 - (c) all employees of WASA, Water and Sanitation Wing of HMC and TMC, in any capacity, immediately before the commencement of this Act, shall be deemed to be employees of the Corporation with the same terms and conditions of service;

- (d) the pension, gratuity and other service benefits admissible to the employees referred to in clause (c) who retired or died before the commencement of this Act, shall continue to be paid by the Corporation under the relevant rules or regulations.
- (e) all contracts including the contracts relating to development schemes signed and rights acquired by WASA, Water and Sanitation Wing of HMC and TMC, prior to the coming into force of this Act, shall be deemed to have been signed and acquired by the Corporation;
- (f) all orders issued, powers delegated, approval accorded, persons appointed, water charges and surcharge levied, actions taken by WASA, Water and Sanitation Wing of HMC and TMC, prior to the coming into force of this Act shall, if not inconsistent with the provisions of this Act, continue to be in force and be deemed to have been executed, issued, delegated, accorded, appointed, levied, taken, conferred, or made under this Act; and
- (g) all suits and other legal proceedings instituted by or against the WASA, Water and Sanitation Wing of HMC and TMC, prior to the coming into force of this Act shall continue by or against the Corporation.

**BY ORDER OF THE SPEAKER
PROVINCIAL ASSEMBLY OF SINDH**
